## **Main Street traffic switches: May 16, 23-24**

THE COLONY, Texas — As part of an effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In addition to lane closures, we feel it important to provide residents with notices of traffic switches because lanes may be configured differently than the last time you drove them. Motorists are encouraged to focus on the roadway in order to avoid accidents from being in the wrong lane.

Upcoming or ongoing switches are listed below. *You may need to refresh your browser to view the most-current document.*

### **Traffic Switches**

#### **The following roadwork is scheduled for 9 a.m. to 3:30 p.m. Monday, May 16:**

- shift of both northbound and southbound lanes of Main Street between North Colony Boulevard and Lakeridge Drive to the west onto newly paved road.

#### **The following roadwork is scheduled for 6 p.m. to 6 a.m. Monday, May 23:**

- shift of northbound traffic on Main between Cougar Alley and just north of South Colony Boulevard to the east onto newly paved road.

#### **The following roadwork is scheduled for 6 p.m. to 6 a.m. Tuesday, May 24:**

- shift of southbound traffic on Main between Cougar Alley and just north of South Colony Boulevard to the east onto newly paved road. Also, both north- and southbound traffic between Cougar Alley and SH121 will be shifted to the west onto newly paved road.

During construction, the Engineering Department will also post updates and information regarding the overall progress of this project at <http://www.thecolonytx.gov/Resident/RoadRepairs.html>, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter.
